It Is Wonderful

**COMPETITORS ALL OUT-
DISTANCED.**

The awarding of the only prize for Blankets, Indian Robes, Indian Shawls and Indian Couch Covers at St. Louis to the Pendleton Woolen Mills adds but very little to the fame of this celebrated line of goods, but the circumstances surrounding the goods sent to the Fair show that this line really merits all the honor as this was not a prepared exhibit.

It is usual for manufacturers to prepare something especially fine for exhibition purposes, but these goods were packed on a "hurry-up" order direct from the shelves of the stock room and are the exact qualities that are being shipped all over the country to customers.

Christmas trade has commenced to come in already, showing that there is going to be greater interest all over the country in these Robes, Etc., for holiday presents.

Pendleton people should bear this in mind. Nothing pleases friends in the East more than one of these robes. They not only advertise the City of Pendleton, but are the most appropriate souvenir of the Great West now obtainable.

THE SMOKING JACKETS bid fair to soon outrival the robes in popularity, as orders are coming in from nearly all the points where samples have been shown.

They are without doubt the swiftest thing and the latest novelty in Smoking Jackets. By the way,

HAVE YOU SEEN THE SMOKING JACKETS?

In addition there are present many members of the interstate commerce commission. The convention will be in session three days.

In conjunction with the meeting there is being held a convention of the Southeastern Railway, Land and Industrial Agents' Association.

At the conclusion of the joint gathering at the end of the week the most of the visitors will leave on an excursion to Mexico City, by way of New Orleans.

STOP CHEYENNE GAMBLING.

Young Attorney Just Elected Declares He Will Close the Frontier Town.

Cheyenne, Wyo., Nov. 15.—Cheyenne, the toughest frontier town left on the plains, the rallying center for all the desperadoes, gamblers, toughs and hard characters in the West, is to be closed tight by a beardless young man of the Joe Folk type.

William B. Ross, the young attorney who won a signal victory against Colonel W. R. Stoll, the leading criminal lawyer in the state, in the fight for prosecuting attorney of Laramie county, secured the coveted plum by a majority of 42, and overcoming a natural republican majority of between 766 and 800, has been in Cheyenne less than five years.

Ros has promised the people that he will make an attempt to close gambling, which is being conducted in several cities of the county in violation of the law. He has been promised the support of a large majority of the people and if they stand by him he may be able to accomplish something.

However, all realize that Ross has a big task on his hands, and if he succeeds in stopping gambling completely in the county he will accomplish something never before accomplished by anyone.

MEDICOS AT MEMPHIS.

Many Topics Are Somewhat Sectional in Interest.

Memphis, Tenn., Nov. 15.—Many leading physicians and surgeons of Arkansas, Tennessee and Mississippi are here for the annual convention of the Tri-State Medical Association. The opening session this morning was

"Mistress Cook," said Golden Gate, "let us be friends. Keep my top down tight to save my aroma and freshness; make me right and I'll help you hold your job. Good coffee makes the whole breakfast taste right—poor coffee spoils everything."

Nothing does with GOLDEN GATE COFFEE but satisfaction. No prices—no coupons—no crochery. I need 2 lb. aroma-tight tins. Never sold in bulk.

Nan Patterson on Trial.

New York, Nov. 15.—The case of Nan Patterson, the former "Florodora girl" who is charged with the murder of Caesar Young, the bookmaker, was called for trial today before Justice Davis in the criminal branch of the supreme court. The killing of Young occurred in a cab on West Broadway early last spring. The bookmaker was on the eve of departing for Europe and the prosecution will endeavor to show that Miss Patterson fired the fatal shot to prevent Young leaving her. The defense relies upon proving the case one of suicide and will put witnesses on the stand to testify that they saw Young do the shooting. The prevailing opinion is that the girl will be acquitted.
